

Contractors:

A

A.R.C.I.L

France www.arcil.net
Office Manager Mechanics Study - Manufacturing of wrapping and packaging equipment.

AALBERTS INDUSTRIES N.V. - AHC SURFACE TECHNOLOGY

The Netherlands www.ahc-surface.com
Design Office & Methods Engineer - Thermal and surface treatments.

ACOEM GROUP - METRAVIB

France www.acoemgroup.fr
Market Development Manager R&D - ACOEM offers comprehensive products and services comprising smart monitoring, diagnosis and solutions, drawing upon its unique expertise in the field of vibrations and acoustics.

AGS

France www.ags-industrie.com
Technical Director - Construction of inkjet machines.

AIR FRANCE / KLM - CRMA

France www.crma.fr
Buyer - CRMA is a wholly-owned subsidiary of the AIR FRANCE KLM Group specializing in the repair of CF6, CFM56, GE90 and GP7200 components and engine modules and the overhaul of a wide range of aircraft systems.

AIR FRANCE INDUSTRIES

France www.afiklmem.com
Purchasing Department - At AFI KLM we provide MRO services at the same time as we guarantee a whole raft of your requirements ranging from safeguarding air safety, properly managing aircraft operation, and minimizing costs.

AIR FRANCE INDUSTRIES

France www.airfranceindustries.com
Materials Expert - Aircraft maintenance.

AIR FRANCE INDUSTRIES

France www.airfranceindustries.com
Business Development Manager - Aircraft maintenance.

AIR FRANCE INDUSTRIES

France www.airfranceindustries.com
Business Developer - Aircraft maintenance.

AIR LIQUIDE

France www.airliquide.com
Project Manager - World leader in gases for industry, health and the environment.

AIR LIQUIDE

France www.airliquide.com
Materials Expert - World leader in gases for industry, health and the environment.

AIR LIQUIDE

France www.airliquide.com
Programme Manager - World leader in gases for industry, health and the environment.

ALCATEL LUCENT - RFS (RADIO FREQUENCY SYSTEMS)

France www.rfsworld.com
Mechanical Engineer - Designer and manufacturer of antennas for microwave links.

ALCATEL LUCENT - RFS (RADIO FREQUENCY SYSTEMS)

France www.rfsworld.com
Telecom Engineer - Designer and manufacturer of antennas for microwave links.

ALCEN - ALSYOM

France www.alcen.com
Technical Sales Engineer - Design and manufacturing of high dimensions, high precision mechanical and opto-mechanical complex systems in the Defence, Energy, Aeronautics, Space and Research Instruments domains.

ALFMEIER

Germany www.alfmeier.de
Business Development Manager - Electronics, ECU, actuators and micro-actuators memory alloy form, micro-systems, 3D-MID.

ALPHAUI

France www.alphaui.com
Ceo - Development of innovative technologies in the mobile computing area. New concept of human-machine interfaces for tablets.

ALSTOM DDF

France www.transport.alstom.com
Purchasing Manager - Railroad and mechanical products manufacturer.

ALSTOM TRANSPORT

France www.alstom.com
Electric Systems Director - Train transportation.

ALSTOM TRANSPORT

France www.alstom.com
Technical Purchasing Manager - Train transportation.

ALSTOM TRANSPORT

France www.alstom.com/fr/transport
Investigation / Technical Support - Railway

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

ANIFLO

France www.aniflo.org
Buyer - Project related to sustainable development.

ARAYMOND

France www.araymond.com
Development & Diversification Manager - Production and development of plastic fasteners, metal and metal-plastic for automotive, construction, household appliances, health and agriculture industries.

ARCELOMITTAL

Luxembourg www.arcelormittal.com/wiresolutions
R&D Business Manager - World's leading integrated steel and mining company.

ARCELOMITTAL LIÈGE RESEARCH

Belgium www.arcelormittal.com
R&D Project Leader - Industrial activities and services related to steel production.

ARECO

France www.areco.fr
R&D Project Manager - Designing and making ultrasonic nebulizers

AREVA

France www.areva.com
Project Manager - World leader in nuclear energy and major player in renewable energy.

AREVA NP

France www.areva.com
Chief Of Sector Metallurgy - Leader in nuclear power and renewable energy producer.

ARNANO

France www.arnano.fr
R&D Director - Secure archiving for digital data.

ARO WELDING TECHNOLOGIES

France www.arotechnologies.com
Electronic R&D Manager - Specialists in resistance welding.

AT DIFFUSION

France www.at-diffusion.com
Ceo - Research Center in electronics and computing.

ATEME

France www.ateme.com
Head Of R&D Mechanical And Electronic - Professional broadcast equipments design and manufacturing.

ATERMES

France www.atermes.fr
Purchasing Manager & Quality Manager - Since 20 years, ATERMES designs, develops and produces high technology equipments for defense, aeronautics, space, telecom and medical industries.

AUXEL

France www.auxel.com
Industrial Buyer - Optimizes interconnects in electrotechnology, low voltage electronics.

B

BAUDET

France www.baudet-sa.com
Purchasing And Logistics Manager - Baudet is one of the leaders of prefabricated bathroom units in Europe.

BETTER WATT

France www.betterwatt.fr
President - Energy efficiency in residential buildings.

BMS CIRCUIT - MSL CIRCUITS

France www.bmscircuits.com
Business Development Manager - Solutions from design to manufacturing of electronic products

BMS CIRCUITS

France www.bmscircuits.com
Support R&D Manager - BMS is an EMS (Electronic Manufacturing Services) and a key player in the electronic industry for small and medium series, thanks to its mastering of all RF communications and its expertise in test solutions.

BORG-WARNER TURBO SYSTEMS ENGINEERING GMBH

Germany www.borgwarner.com
Global Product Line Manager - Global technology leader in powertrain solutions.

BRONZAVIA INDUSTRIE

France www.bronzavia-industrie.com
Industrial Purchaser - Bronzavia is specialized in the production of High Tech sheet metal works and welded assemblies for Aircraft, Space and Defence industries.

C

CABLE EQUIPEMENTS

France www.cable-equipements.fr
President - Manufacturing of equipments for cables handling and manufacturing of cable protection.

CEC GEMH ENSCI

France
Phd Student - Heterogeneous Materials. Elaboration, characterization of widely used mineral materials .

CENTRE D'ETUDES NUCLEAIRES DE BORDEAUX GRADIGNAN, CENBG

France www.cenbg.in2p3.fr
Electronic Department Manager - The Centre d'Etudes Nucléaires (study center for nuclear power) at Bordeaux-Gradignan (CENBG) covers a broad range of topics in nuclear physics, particle physics, astroparticle physics as well as applications of subatomic physics to different multidisciplinary fields.

CITYCOMWALL

France www.citycomwall.wordpress.com
General Manager - Development of video conference walls.

CLS

France www.cls.fr
Supplier Development Manager Eu - CLS, a subsidiary of CNES (French Space Agency), IFREMER (French Research Institute for exploration of the sea).

CMEG

France www.cmeg.fr
R&D Engineer - Building company oriented towards Innovation (Materials : concrete, insulating materials and prefabrication).

CMN - CONSTRUCTIONS MECANIQUES DE NORMANDIE

France www.cmn-group.com
Diversification Manager - Shipbuilding.

CNRS - INSTITUT DE PHYSIQUE NUCLEAIRE ORSAY

France ipnweb.in2p3.fr
Project Manager - His basic research activity is mainly focused on subatomic physics: nuclear physics, but also on the hadronic physics, astroparticle physics and theoretical physics.

COBHAM - LABEL

France www.label.fr
R&D Electronic Head Of Project - Turning electrical manifolds manufacturing.

COGIT COMPOSITES

France www.cogit-composites.com
Director - Engineering in composites, conception, calculation, RTM simulation.

CRM

France www.crm-meca.fr
Purchasing Manager - CRM is specialized in the complete machining of parts with high added value, made individually or in small series.

DASSAULT - SABCA

Belgium www.sabca.com
Head Of Purchasing Department - Space and civil aeronautical structures design and manufacturing; space and aircraft servo-actuation systems design and/or production. Maintenance and upgrading of military aircraft.

DASSAULT AVIATION

France www.dassault-aviation.com
Materials Expert - Dassault Aviation is a major player in the civil and military aeronautics industry worldwide, and is present in more than 70 countries across five continents.

DASSAULT AVIATION

France www.dassault-aviation.com
Purchase Manager - Dassault Aviation is a major player in the civil and military aeronautics industry worldwide, and is present in more than 70 countries across five continents.

DBNS - OCTIP

France www.octip.fr
Ceo - Innovative company in the field of computing, telecommunications and multimedia industry and the professional world.

DEFONTAINE

France www.defontaine.com
Raw Materials And Subcontracting Purchaser - Manufacturer of rolled and flash butt welded rings for the automotive and aeronautics industries.

DELPHI FRANCE

USA www.delphi.com
Expert Special Materials & Processes - Global supplier of electronics and technologies for automotive, commercial vehicle, and other market segments.

DIAGONALE SUD TECHNOLOGIE

France
Owner - Development and marketing of heated clothing and equipments for people. Markets: sports & leisure, health & professional area.

E

EADS - AIRBUS

France www.airbus.com
Spares Production Manager - Airbus is a leading aircraft manufacturer with the most modern and comprehensive aircraft family.

EADS - AIRBUS OPERATIONS

France www.airbus.com
Mechanical Designer - Airbus is a leading aircraft manufacturer, with the most modern and comprehensive aircraft family.

EADS - ASTRIUM SPACE TRANSPORTATION

France www.astrium.eads.net
Buyer - Civil and military space transportation.

EADS - CILAS

France www.cilas.com
Mechanical And Material Parts Buyer - CILAS is an expert in producing lasers, optronic and optical systems as well as optical coated components : military laser equipment, main laser scientific programs, industrial and scientific instrumentation.

D

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

EADS - CILAS

France www.cilas.com
Buyer - CILAS is an expert in producing lasers, optronic and optical systems as well as optical coated components : military laser equipment, main laser scientific programs, industrial and scientific instrumentation.

EADS - EUROCOPTER

France www.eurocopter.com
Material & Process Engineer - Helicopters manufacturer.

EADS - EUROCOPTER

France www.eurocopter.com
R&D Engineer - Helicopters manufacturer.

EADS DEVELOPPEMENT

The Netherlands www.eads.com
Delegate For Ile De France Region - Looking for technologies of interest for EADS Group.

EBERSPAECHER

Germany www.eberspaecher.fr
Engineer - Automotive, thermal comfort.

ECA GROUP - ECA SINTERS

France www.eca-sinters.com
R&D Manager - Systems and Services for Aeronautics.

EDF - AREVA - CEA - GROUPE INTRA

France www.groupe-intra.com
Technical Manager - Design, development and maintenance of a fleet of robotics machines in order to intervene instead of men, in case of major nuclear accidents.

EDF - AREVA - CEA - GROUPE INTRA

France www.groupe-intra.com
Associate Technical Director - Design, development and maintenance of a fleet of robotics machines in order to intervene instead of men, in case of major nuclear accidents.

ELECTRICFIL AUTOMOTIVE

France www.electricfil.com
Electronics Purchasing Manager - Automotive equipment, specializing in the design and realization of sensors, motors and BVA (speed / position / temperature), integrated on mechatronic platforms. Loop actuators for air and water, and exhausts sensors.

EMULSAR

France
R&D Manager - Processes engineering. Development, assembly of emulsion machines for food, cosmetics and pharmaceuticals industries.

ENERSENS

France
Director - Manufacturing of chemical products and materials.

ERISCS LABORATORY

France eriscs.esil.univ-mrs.fr
Research Director - ERISCS is the first interdisciplinary research group created by scientific cooperations and joint projects led by researchers from the Aix-Marseille University.

ESSILOR INTERNATIONAL

France www.essilor.com
Buyer Control Equipment - From design to manufacture, Essilor creates lenses for all types of visual disorders: myopia, hypermetropia, presbyopia, stigmatism.

ETIENNE LACROIX

France www.etienne-lacroix.com
Electronics Buyer - Defence, Civil & Military pyrotechnics

EXCENT

France www.excent.fr
Purchasing Manager - Engineering solutions of studies and achievements in mechanical, automatic, pneumatic, hydraulic, electrical or industrial computer.

F

FAIVELEY TRANSPORT GROUP - FAIVELEY TRANSPORT AMIENS

France www.faiveleytransport.com
Purchasing Manager - Supplier of railway systems and services : air conditionning, electro-mecanics, embedded systems, braking systems, platform doors and gates.

FAURECIA

France www.faurecia.com
R&D Investment Purchasing - Faurecia is one of the world's leading providers of automobile engineering solutions and components, specializing in vehicle seating, interiors, front ends and exhaust systems.

FAURECIA EMISSIONS CONTROL TECHNOLOGIES

France www.faurecia.com
Innovation Project Manager - Mechatronics for exhaust and depollution systems.

G

GDF SUEZ - MAIA EOLIS

France www.maiaeolis.fr
Doctor Mechanical Engineering - Wind farms development and operating in France

GINDRE DUCHAVANY

France www.gindre.com
R&D Manager - The world-wide specialist copper conductor manufacturer for electrical equipment.

GROUPE CHASTAGNER

France www.groupechastagner.com

Technical Manager - Design and production of global mechanical assemblies.

Transportation and workflow. Mechanical machining. Process composite.

GROUPEMENT INTERNATIONAL DE MECANIQUE AGRICOLE (GIMA)

France

Engineer - Gearboxes, rear axles and transmissions for farming tractors manufacturing.

GROUPEMENT INTERNATIONAL DE MECANIQUE AGRICOLE (GIMA)

France

Design Engineer - Gearboxes, rear axles and transmissions for farming tractors manufacturing.

HARLE BICKFORD - DAVEY BICKFORD

USA www.daveybickford.com

Business Unit Manager - Davey Bickford is involved in every phase of a project, from developing the initial specifications to incorporating solutions into the final assembly.

HGH INFRARED SYSTEMS

France www.hgh.fr

Manufacturing Processes Manager - Manufacturing of optronic systems for industry, security and laboratories (cement industry, defence, naval industry).

HGH INFRARED SYSTEMS

France www.hgh.fr

Electronics Development Engineer - Manufacturing of optronic systems for industry, security and laboratories (cement industry, defence, naval industry).

HOBBY'ONE EVENEMENTS

France

General Manager - Owner - Center of recreational activities and virtual games.

HONEYWELL SECAN

USA www.honeywell.com

Material & Process Engineer - International supplier of components for aircrafts, engines, avionics, related products and services.

IMAGINE OPTIC

France www.imagine-optic.com

Ceo - Imagine Optic is a world leader in the analysis of wavefront by Shack-Hartmann and adaptive optics.

IN2P3 - LABORATOIRE DE L'ACCÉLÉRATEUR LINÉAIRE

France www.lal.in2p3.fr

Mechanical Development Manager - The Laboratory of the Linear Accelerator is under the joint supervision of the Université Paris-Sud XI and the Institut National de Physique Nucleaire et de Physique des Particules of the CNRS. Its research activity is centered on particles physics, suppl

INTEVA PRODUCTS

USA www.intevaproducts.com

Strategic Planning Manager - Automotive equipment manufacturer. Manufacture and distribution of shock absorbers for tourism and industrial vehicles.

J

JPB HOLDING - SAPAIC INDUSTRIES

France www.sapaic.com

Ceo - Manufacturer of engines and related diesel engines components.

K

KOELIS

France www.koelis.com

Technical Director - KOELIS' mission is to design state-of-the-art technologies in image-guided urology.

L

LA FRANCAISE DES JEUX

France www.fdj.fr

Innovation Manager - National lottery, gambling and expertise.

LABORATOIRE PROTECSOM

France www.laboprotecsom.com

R&D Director - Design and production of medical devices.

LE BRONZE INDUSTRIEL

France www.lebronzeindustriel.com

Technical Director - Leader in the manufacture of copper alloy.

LE BRONZE INDUSTRIEL - INOFORGES

France www.inoforges.com

Innovation And Development Director - INOFORGES is specialized in forging and machining of non-ferrous alloys (brass, copper, aluminum).

LEADS AEROSPACE

France www.leads-aerospace.com

Ceo - Innovation through technology sourcing and integration in aviation and aerospace industry for value creation.

LIFEBOX

France www.lifebox.fr

Business Development Manager - Home security detector. Fire protection.

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

LINXENS

France www.linxens.com
R & D Director - Manufacturing of microchips printed on soft film.

LINXENS

France www.linxens.com
R&D Manager - Manufacturing of microchips printed on soft film.

L'OREAL

France www.loreal.fr
Applied Research Engineer - World leader on the cosmetics market.

M2ES TECHNOLOGIES

France www.m2es-technologies.com
General Manager - Engineering & design office in electrotechnics, automation and computing applications.

MAGNA STEYR

Austria www.magnasteyr.com
R&D Manager - Development, production, design and automotive assembly. Energy saving systems.

MAGNA STEYR

Austria www.magnasteyr.com
R&D Manager - Development, production, design and automotive assembly. Energy saving systems.

MAGNA STEYR

Austria www.magnasteyr.com
Eco-Conception Engineer - Magna Steyr is the worldwide leading brand-independent engineering and manufacturing partner for OEMs.

MAGNA STEYR

Austria www.magnasteyr.com
Doctor-Engineer In R&D - Communicating Smart Systems - Magna Steyr is the worldwide leading brand-independent engineering and manufacturing partner for OEMs.

MAUNA KEA TECHNOLOGIES

France www.maunakeatech.fr
Purchasing Manager - Goba medical device company focused on leading innovation in endomicroscopy, the field of microscopic imaging during endoscopy procedures.

MECALLIANCE AMGP

France www.mecalliance-amgp.com
Project Manager - Mechanical welding and sheet metal machining.

MERCK - MILLIPORE

USA www.millipore.com
R&D Business Manager - Business of chemical manufacturing, pharmaceutical and life sciences. Expertise in the production of water purification equipment.

MICHELIN

France www.michelin.com
Research Program Manager - Main player in every tire and travel-related services market, while leading a global strategy to drive sustainable, profitable growth.

N

NEXANS

France www.nexans.fr
R&T Engineer - Nexans is a well known cable manufacturer. With more than 100 years experience, Nexans France offers a complete range of cables for buildings, industries and infrastructure networks.

NEXANS

France www.nexans.fr
Engineering And Services Buyer - Design and production of electrical and optical cables and wires.

NOVEUP

France
Ceo - Medical Roboassistance

O

OTIMA

France www.otima.fr
Technical Buyer - OTIMA designs and manufactures metal casing and frames integrating mechanical, electrical and electronical components in order to realize functions and products. Project management, design, fast prototyping, integration and logistics.

OTIMA

France www.otima.fr
Project Buyer - OTIMA designs and manufactures metal casing and frames integrating mechanical, electrical and electronical components in order to realize functions and products. Project management, design, fast prototyping, integration and logistics.

OYOMA

France www.oyoma.net
Managing Director - Integrated home systems.

P

PANHARD

France www.panhard.fr
Purchasing Manager - Panhard designs, tests, produces and maintains a range of armoured vehicles.

PARROT - VARIOPTIC

France www.varioptic.com
Engineering Director - Design and manufacturing of adjustable lens solutions.

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

PORALU MARINE

France www.poralumarine.fr
Purchasing & Innovation Manager - Developer and manufacturer of marina in the world.

POUCHARD ET CIE

France www.pouchard.com
Purchasing & Sales Director - Manufacturing, trading and finishing of added value carbon steel tube.

PSA

France www.psa.fr
Development Manager - Automotive manufacturer.
Maintenance - Production unit

PSA PEUGEOT CITROEN

France www.psa-suppliers.com
Technology Watch Responsible - Automotive manufacturer.

QUINETTE

France www.quinette.fr
Purchasing Manager - Seat manufacturer.

RENAULT

France www.renault.com
Innovation Driver - Automotive manufacturer.

RENAULT

France www.renault.com
Chief Relief Composites Project - Automotive manufacturer.

RJP MODELAGE

France www.rjp.fr
Managing Director - Equipment and prototype pieces realization for automobile, railway, aeronautical and petroleum industries.
Exoskeleton

ROCTOOL

USA www.roctool.com
R&D Engineer - ROCTOOL develops and markets plastics and composite moulding technologies, based on the principle of induction heating such as Cage System and 3iTech.

SAFRAN

France www.safran-group.com
Development Business Manager - Aeronautics, Space, Defence and Security, Energy.

SAFRAN - AIRCELLE

France www.aircelle.com
Buyer - The leading players in the global nacelle market.

SAFRAN - AIRCELLE

France www.aircelle.com
Buyer - The leading players in the global nacelle market.

SAFRAN - HISPANO - SUIZA

France www.hispano-suiza-sa.com
Partner Research & Technology - A high-tech specialist in airborne power transmission and management

SAFRAN - MESSIER-BUGATTI-DOWTY

France www.safranmbd.com
R&T Director - Safran Messier-Bugatti-Dowty is the world leader in aircraft landing and braking systems.

SAFRAN - SAGEM DEFENSE SECURITE

France www.sagem-ds.com
Purchase Manager Of Raw Material - Sagem, is a high-tech company in the Safran group. It is a world or European leader in solutions and services in optronics, avionics, electronics and critical software for the civilian and military markets.

SAFRAN - SAGEM DEFENSE SECURITE

France www.sagem-ds.com
R&D Engineer - Sagem, is a high-tech company in the Safran group. It is a world leader in solutions and services in optronics, avionics, electronics and critical software for the civilian and military markets.

SAFRAN - SNECMA

France www.snecma.fr
Purchasing Manager - Snecma is a world's leading manufacturer of aircraft engines. It designs, produces and sales engines for civil/military airplanes, satellites and space launchers.

SAFRAN - SNECMA

France www.snecma.com
Division Des Moyens Industriels - Snecma designs, develops, produces and markets engines for civil and military aircraft, launch vehicles and satellites.

SAFRAN - TECHSPACE AERO

Belgium www.techspace-aero.be
Projects Buyer - Techspace Aero designs, develops and supplies modules, equipments, services and test cells for aircraft and space engines. Part of the SAFRAN Group, the company has the ambition to be world leader in its fields of excellence.

SAFT BATTERIES

France www.saftbatteries.com
Electronics Buyer - World leader in the design and production of high-tech batteries.

SAFT BATTERIES

France www.saftbatteries.com
Purchasing Manager Space Industry - World leader in the design and production of high-tech batteries.

Q

R

S

SAGEMCOMFrance www.sagemcom.com

R&D Procedures Manager - French high technology group, active globally. Thanks to its proven capacity for innovation, the group is in a leadership position in many markets. Sagemcom aims to become a world leader in broadband terminals, convergence and energy solutions.

**SARTI (SAR TECHNOLOGIES INTERNATIONAL) -
LOCKEN SERVICES**France www.locken.fr

General Manager - Locken is a leading player in the field of electronic access control in Europe. Its original digital solution, based on an intelligent key, makes it a unique player in the market

SCHNEIDER ELECTRICFrance www.schneider-electric.com

Purchasing Manager - Manufacture of data acquisition electronics technology.

SCOMAFrance www.scoma-fr.com

Project Manager - Designer and manufacturer of security parts for the automotive industry, more precisely for duty and rail-bound vehicles. Manufacturing of steering and track rods.

SIAÉ - AIA BORDEAUXFrance www.defense.gouv.fr

Upstream Project Study Manager - Bordeaux AIA specializes in interventions on the engines.

SKFSuède / Sweden www.skf.com

Commodity Manager Mechatronics - SKF is a leading global technology provider that continuously develops new technologies by combining hands-on experience with their knowledge across the SKF technology platforms: bearings and units, seals, mechatronics, services and lubrication systems.

SOCIÉTÉ DES CÉRAMIQUES TECHNIQUESFrance www.sct-ceramics.com

R&D Manager - SCT develops, designs and manufactures customized ceramic-to-metal brazed assemblies, in prototype phase as in volume production.

SODIMATEL FASTENERSFrance www.sodimatel-fasteners.fr

Electronics Development Manager - Wide range of products and services such as industrial fasteners, contact parts, connections, assembly tools and complete assembly accessories.

SODIMATEL FASTENERSFrance www.sodimatel-fasteners.fr

Purchasing Manager & Quality Manager - Wide range of products and services such as industrial fasteners, contact parts, connections, assembly tools and complete assembly accessories.

SOFRADExFrance www.sofradex.fr

Ceo - Technical parts for industry (materials with a low coefficient of friction - a very good resistance to abrasion - materials with good thermal resistance).

SPIE NUCLEAIREFrance www.spie.com

Purchaser - European leader in electrical engineering, HVAC services, energy and communication systems.

T
TDA LEFEBUREFrance www.tda-lefebure.com

President And General Director - 400 Hz power supply equipment for airports (pits, cable retrievers, Pop-up pits, distribution network, voltage drop compensation cells,...)
400 Hz power supply equipment for airports (pits, cable retrievers, Pop-up pits, distribution network, voltage dro

TE CONNECTIVITY DEUTSCHUSA www.deutsch.net

Buyer - Design and manufacture of electrical and optical interconnects.

TECNALIASpain www.tecnalia.com

R&D Engineer - Spanish R&D research center and technological transfer. Materials department for advanced systems: Specialist of ceramics, metals and composite materials, as well as their manufacturing processes, and their integration in systems.

THALES AIR SYSTEMSFrance www.thalesgroup.com

Advanced Studies Director - Thales Air Systems provides systems of air traffic management, support tools for landing and navigation, radar and surveillance solutions for airport operations.

THALES ALENIA SPACEFrance www.thalesgroup.fr

Prospect Purchasing - Prime for Satellite Systems.

THALES ANGENIEUXFrance www.angenieux.com

Technical Director And Innovation - Manufacturer of opto-mechanical products.

THALES RAYTHEON SYSTEMESFrance www.thalesraytheon.com

Purchasing Manager Middle East And Germany - Air defense systems.

THALES SYSTEMES AEROPORTESFrance www.thalesgroup.com

Technology Manager - Airborne radar systems and electronic warfare.

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

THALES SYSTEMES AEROPORTES

France www.thalesgroup.com
R&D Manager - Airborne radar systems and electronic warfare.

THE SWATCH GROUP

Switzerland www.swatchgroup.com
Head Of Technology Scouting - Management of breakthrough Innovation Projects in the fields of materials-technologies-process.

TIAMA - MSC & SGCC

France www.msc-sgcc.com
Project Manager - Providers of hollow glass inspection solutions. MSC know-how in optical solutions combined with SGCC mastering of mechanical multi-inspection systems to obtain an optimized range of products.

VALLOUREC MANNESMANN OIL & GAS

France www.vallourec.fr
R&D Director - Steel tubes and threaded connections for oil and gas wells.

VEOLIA ENVIRONNEMENT RECHERCHE ET INNOVATION

France www.veolia.com
Technologie And Industrial Systems Manager - R&I center of Veolia Environnement.

VIGILIO

France www.vigilio.eu
Engineer - Vigilio delivers smart biosensors and reliable telemedical solutions to make your life a safer life.

VIPS

France www.vips-sa.com
Buyer - Designer and manufacturer of document scanners.

VIPS

France www.vips-sa.com
Project Manager - Electronics - Designer and manufacturer of document scanners.

W2E-INDUSTRIES

France www.w2e-industries.org
Ceo - Manufacturing and selling of a new generation CIGS flexible photovoltaic film.

WORKFLY

France www.workfly.net
Ceo - The objective of Workfly Company is to develop, to market and to operate a civil multifunctional UAV.

ZODIAC AEROSPACE

France www.zodiacaerospace.com
Innovation Director - Zodiac Aerospace is a world leader in aerospace equipment and systems for commercial, regional and business aircraft, as well as helicopters and space applications.

ZODIAC AEROSPACE - AERAZUR

France www.zodiacaerospace.com
Equipment Buyer - Manufacturer for the Aircraft Industry.

Suppliers:

A

AALBERTS INDUSTRIES - METALIS

The Netherlands www.metalis.fr
Sales Manager - Metalis is an industrial company specialized in stamping, forming, deep drawing and over molding of complex metal parts in large, medium and small series with rolled metals.

ABW CONCEPT

France www.abwconcept.com
Co-Owner - With an industrial experience of nearly 20 successful years, ABW Concept is specialized in measurement, control and 100% sorting.

ACCIAERIA - VALBRUNA FRANCE

Italy www.valbrunafrance.com
Director - Development and transformation hot and cold stainless steel, nickel alloys and titanium.

ACCUWATT

France www.accuwatt.fr
Sales Director - Designer of energy products in embedded systems.

ACEM

France www.acem-mecaniques.com
Delegate Director - Design and manufacture of special machines. Multi-technical industrial maintenance. Industrial transfer.

ACMO

France www.acmo.fr
Managing Director - CAO - CFAO, turning and milling on computer assisted machines, forging, cutting and stamping (including the making of its tools) welding, polishing.

ACTIMETAL INDUSTRIE

France www.actimetal.fr
Director - Sheet metal thin industry: Research centre, help to design and manufacture elementary parts. punching, CN Centre, Laser cutting, CN bending and robotic bending. steel, stainless steel and aluminum welding, Integrated painting, installation, wiring of sub

V

W

Z

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

ADELTEL GROUP - ADENEO (MEMBRE ASRC)

France www.adetelgroup.com
Sales Manager - Design, production and industrialization of electronic systems and software in constrained environments.

ADELTEL GROUP - ADENEO EMBEDDED

France www.adeneo-embedded.com
Sales Manager - Adeneo Embedded is a specialist system integrator focused on complete 32-bit embedded systems development from OS bring-up, board support package and driver adaptation to application development.

ADINOV

France www.adinov.fr
Director - ADINOV (Analysis, Development Innovation Watch) is specialized in contract research in the fields of chemistry.

ADOPAS

France www.ad-opas.com
President - Operational advice and assistance in purchasing electronics.

ADTFILM

France www.adtfilm.fr
Director - A French new born company with major activity to distribute USI products (spray coating technology) and offer high level customer support for France and some other neighbor countries.

ADVANCED COATING

Belgium www.advanced-coating.com
Sales Manager - Advanced Coating designs, develops and manufactures cold spray coating, plasma and supersonic metals, alloys, ceramics and carbide mechanical parts of all kinds and all sizes.

AERYS

France www.aerys.in
Commercial Manager - Software Editor.

AGORA INDUSTRIES - MICROTEC SA

France www.microtec-agra.fr
Ceo - Specialist test benches for the automotive sector, for computers and sensors.

AGROCOMPOSITES ENTREPRISES

France www.agrocomposites.fr
Director - Cluster of enterprises concerned by the industrialization of natural fiber composites.

ALCEN - ALSYOM

France www.alcen.com
Technical Sales Engineer - Design and manufacturing of high dimensions, high precision mechanical and opto-mechanical complex systems in the Defence, Energy, Aeronautics, Space and Research Instruments domains.

ALCEN - FAHRENHEIT - EPSILON (MEMBRE ASRC)

France www.epsilon-alcen.com
Sales Manager - European structure of research in thermal activity.

ALDEON

France www.aldeon.fr
Manager - Aldeon, consulting company specialized, helps you to seize the opportunities offered by the development of M2M.

ALPEN TECH

France www.alpen-tech.com
Sales Manager - The company is specialized in precision mechanics and works in the machining field. Large series runs.

ALPHA REEL BVBA

Belgium www.alphareel.be
General Manager - ALPHA REEL bvba is an engineering company operating for more than ten years in the industrial roller systems for hoses and electrical cables.

ALTYOR GROUP

France www.altyor.com
Business Manager - ALTYOR is an industrial group that includes the following companies : Technochina, Tiloli and PDCI. Companies specialized in finished articles design and manufacturing.

AMBASSADE DU CANADA - BUREAU DE L'ONTARIO

Canada www.international.gc.ca
Counsellor (Economic & Commerce) - Attraction of French Investments, R&D partnerships and support to Ontario exporters.

AMCM USINAGE

France www.amcm-usinage.com
Managing Director - Precision engineering, machining all types of materials -small and medium series. AMCM Usinage is a first-order sub-contractor

AMETEK ULTRA PRECISION TECHNOLOGIES

USA www.ametek.fr
Sales Manager - Production and sales of monitoring, measurement, analysis and tests instruments for industry and laboratory sectors.

AMI FONDERIE

France www.idcastingzamac.com
Sales Director - Ami Fonderie is specialized in pressure die casting zinc alloy, machining, finishing and assembly service in many different applications.

ANRT-CIFRE

France www.anrt.asso.fr
Head Of Communications - Hub of research and industry, the National Association for Technical Research gathers key R&D stakeholders : corporates, research and training organizations, industrial technical centers.

ANSYS

USA www.ansys.fr
Marketing Manager - Ansys develops and commercializes full suite of multiphysic simulation software.

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

ANSYS - ESTEREL TECHNOLOGIESUSA www.esterel-technologies.com

Sales Manager Northern Europe - Esterel Technologies is the leading worldwide supplier of tools for design, validation and code generation for critical embedded software applications.

AOTAGSuisse / Switzerland www.aotag.ch

Sales & Marketing Manager - Specialising in the design and development of embedded systems.

ARDIATunisia www.ardia.com.tn

Vice Director - ARDIA is specialized in the development and integration of embedded electronics and communicating software.

ARDIATunisia www.ardia.com.tn

Commercial Engineer - ARDIA is specialized in the development and integration of embedded electronics and communicating software.

ARRK LCO PROTOMOULEFrance www.lco-protomoule.com

Manager - Specialized in rapid prototyping, stereolithography, powder sintering, vacuum casting and injection molds.

ARTEMFrance www.artemlab.com

Ceo - Test and expertise laboratory in the fields of metal and polymer materials.

ASC INSTRUMENTFrance www.ascinstrument.com

Sales Manager - Manufacturing of measure and leak-proof machines in medical, pharmacy, cosmetics, car and food industries.

ATMFrance www.atmtpc.com

Chairman - Specialized in sheet metal manufacture and painting for the industrial sector.

ATOMELECFrance www.atomelec.fr

Commercial - ATOMELEC offers its skills as a subcontractor working in several fields: precision sheet metalworking, low voltage transformer, battery charger, cabling and system integration.

AUROCKFrance www.aurock.fr

General Manager - Aurock is an innovative company that designs, sizes, produces and markets technical parts in refractory castable for a wide range of industrial applications.

AXON - LOUPOT S.A.S.France www.loupot.fr

Market Manager - Loupot offers complete solutions from the design to the manufacture of :

- products
- tools
- production and control machines.

AXSON TECHNOLOGIESFrance www.axson-technologies.com

Head Of Composite Market - Formulation and production of epoxy and polyurethane solutions for all industries.

AXYON INGÉNIERIEFrance www.axyon.eu

Manager - Consulting & Engineering agency, specialized in technical assistance in the areas of Energy, Oil & Gas, Industry and Transport.

BAN MANUFACTURING SUPPORTHungary www.ban.co.hu

Quality Manager - Rework, repair and contract manufacturing company.

BARCO SILEXBelgium www.barco-silex.com

Managing Director - Offers embedded system, custom IP and high-end electronic design services, integration, validation and PCBA board services based on ASIC/FPGA/DSP technology in the application domains of video processing, crypto/security and industrial electronics.

**BEAMTECH DIVISION ADVANTECH
AÉRONAUTIQUE**France www.beamtech.fr

Managing Director - Electron beam welding: services & equipment furniture. Vacuum brazing. Orbital tig welding. Assembling and instrumentations. Advance technologies consultant.

BEGCFrance www.begc-ingenierie.fr

President Of The Board - Design office - Project managements - Engineering / Value analysis - Prototyping - Research & Development.

BENOIT JOLIVETFrance www.benoit-jolivet.com

Sales Manager - Precision turn parts with or without subsequent machining. Digital machining.

BERÉNYVILLHungary www.berenyicill.hu

Commercial Manager - Cable and wire assembly, wiring harness works and electric assembly.

BERTRANDTFrance www.bertrandt.com

Electronic Department Manager - Automotive engineering company.

BIBUS GROUP - MG2 SYSTEMSSwitzerland www.mg2-systems.com

Director - Objet's 3D printers distributor, MG2 SYSTEMS offers a revolutionary technology which makes high-quality prototypes in different materials, bi-material.

B

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

BIOPHY RESEARCH (MEMBRE ASRC)France www.biophyresearch.com

Sales Manager - Laboratory analysis of materials. Expertise and benefits analysis of surfaces, interfaces and nanomaterials industry.

BORITBelgium www.borit.be

Business Development Manager - Borit is a world-class manufacturer of hydroformed sheet metal plates and assemblies.

BRC77France www.brc77.com

Sales Manager - BRC77 is a reference in the design and the realization of packagings in standard and specific composite materials such as suitcases, transport containers, technical parts, caskets, accessories

BRIGHTLOOPFrance www.brightloop.fr

Commercial Director - BrightLoop is a digital controls power supplies expert (from 10W to 150kW) in different sectors: industrial, automotive, medical, research, military field.

BURDEYRONFrance www.burdeyron-meca.com

Chairman - General Mechanical Engineering and Precision Machining.

BUREAU ECONOMIQUE AMBASSADE DE MALAISIEMalaysia www.mida.gov.my

Investment Officer - The Malaysian Investment Development Authority (MIDA) is the government's principal agency for the promotion of the manufacturing and services sectors in Malaysia.

CABINET SILAMIRFrance www.silamir.com

Consultant - Silamir is a consulting firm specialized in managing transformation projects delivering high quality services to customers on behalf of large groups.

CABRA ENGINEERING SRLItaly www.cabraeng.com

General Manager - Engineering and prototypes.

CADENAS FRANCEFrance www.cadenas.fr

Marketing & Communication Manager - CADENAS provides software and services for Part Management : methodologies, process and tools dedicated to reduce the costs of industrial parts (commercial parts and custom parts).

CADWAREFrance www.cadware.fr

Marketing Director - Solution integrator of SolidWorks DASSAULT SYSTEMES dedicated to product development process.

CAF - CAF POWER & AUTOMATIONSpain www.cafpower.com

Sales Manager - Embedded systems, electrical traction and energy systems, information and communication systems.

CEAFrance www.cea.fr

Head Of Business Development - CEA is a French government-funded technological research organisation.

A prominent player in the European Research Area, it is involved in setting up collaborative projects with many partners around the world.

CEA - CEA LITENFrance www.cea.fr

Business Manager - Research institute for new energy technologies. Technological Research Division Innovation Laboratory for New Energy Technologies and Nanomaterials.

CEA SACLAYFrance www-centre-saclay.cea.fr

Responsible For Technological Development - The CEA Saclay is a center of research and innovations leading European level. Directorate of Materials Science (DSM) is the research center CEA fundamental physics and chemistry.

CEIS INNOVATION 128France www.ceis-strat.com

Director - Strategy consulting, innovation management, open innovation, technology transfer.

CENTRALPFrance www.centralp.fr

Sales Manager - Design and production of embedded electronic boards and subsystems.

CERAMTEC GMBHGermany www.ceramtec.com

Sales Manager - Manufacturing and marketing of industrial ceramics for applications in medical, automotive, electronics and energy sectors.

CETIMFrance www.cetim.fr

Mechatronic Manager - Point of convergence of business, knowledge and mechanical organizations, Cetim carries mechanical innovation in favor of competitiveness.

CETIM SENLISFrance www.cetim.fr

Business Development Manager - As the leading French player in the fields of mechanical engineering innovation and R&D, Cetim has built up a wide network of partners. Its engineers and technicians operate in more than 30 countries each year.

CHAUVIN ARNOUXFrance <http://www.chauvin-arnoux.com/>

Sales Manager - Founded in 1893, Chauvin Arnoux is French designer and manufacturer of Measuring Instruments for Electrical, Electronic and Physical Measurements areas.

C

CIELE INGENIERIE

France www.ciele.fr
Sales Manager - Consulting firm specializing in electronic systems development and complex embedded software.

CIM NORMANDIE - CIM USINAGE

France www.cim-normandie.com
Business Manager - Specialised in 2D and 3D machining of mechanical parts, small and large series.

CIMBE

France www.cimbe.com
Director - Design and manufacture of special furniture for space planning technique, console, control room, furniture computer test.

CIMTECH

France www.cimtech.fr
Manager - Designe, diagnosis, production systems optimization
Mechatronics design office for industrials from all lines of business

CLEMEX EUROPE

France www.clemexeurope.com
Sales Manager - Manufacturer of integrated systems for analyzing images of microscopic items for all industries.

CLIMATS

France www.climats-tec.com
Events Manager - Designer and manufacturer of test conditions.

CLUB ELECTRONICS

France www.clubelec.com
Ceo - Broker in Electronic components.

CNEP - CENTRE NATIONAL D'EVALUATION DE PHOTOPROTECTION

France www.cnep-ubp.com
Director - Research center on the aging of organic materials.

CNRT MATÉRIAUX - ENSICAEN

France www.cnrt.ensicaen.fr
Engineer - Research center on materials.

COEXEL

France www.coexel.com
Ceo - COEXEL specializes in search technology, providing innovative web based software solutions for professional, and corporate use in order to improve competitive intelligence process.

COFIDUR EMS PERIGUEUX

France www.groupe-cofidur.com
Commercial Manager - Design, manufacturing and industrialization of electronic cards, products and associated services.

COMELEC

Suisse / Switzerland www.comelec.ch
R&D Project Manager - Parylene coating company (treatment & equipment)

COMSIS

France www.comsis.fr
Ceo - Design of electronic kits and radio, IPs and components for wireless broadband networks.

COMSOL

USA www.comsol.com
Marketing Manager - Editing digital simulation software.

CONEXMA

France www.conexma.com
Ceo - Firm of consulting and management companies in the metal industry in France and abroad.

CONTINENTAL AUTOMOTIVE

Germany www.continental-automotive.com
Sales Manager - Electronic cards in SMD technology for medium and large series.

COPALP

France www.copalp.com/fr
Marketing Manager - Developing HMI/SCADA software. Everything from embedded solution to Softlogic solutions, Straton gathers all the field of automation and industrial world.

CREATIVE MECATRONIQUE

France
General Manager - Mechatronics products conception.

CRITICAL SYSTEMS

France www.criticalsystems.fr
Manager - Fields of expertise and References:
- Control and Command systems
- Critique software Engineering
- On-board equipments
- Distributed Real-time solutions
- Digital simulation
- Technical and operational simulation

CRITT ANALYSES & SURFACES

France www.analyses-surface.com
Director - Realization of studies, performing tests and expertises on materials.

CRM

France www.crm-meca.fr
President - CRM is specialized in the complete machining of parts with high added value, made individually or in small series.

CSA

France www.csa-creuzet.com
Sales Manager - Aeronautical Subcontracting - EN 9100

CTTC - CENTRE DE TRANSFERT DE TECHNOLOGIES CERAMIQUES

France www.cttc.fr
Director - The Center for Technology Transfers in Ceramics.

D

DA&T

France www.debitmetrie.net
 Ceo - Specialized in the service of flow measurement in the fields of aeronautics and technology.

DAVUM TMC

France www.davumtmc.com
 Director - Production equipment for electronic industry, optical control, range of specialized tooling for electronics, connectors - stripping, identifying cables.

DB TECHNIQUE

France www.dbtechnique.fr
 Sales Assistant - Our expertise in industrial screen printing draws on high-quality raw materials and technics to meet your expectations and the most complex of your requirements.

DBNS - OCTIP

France www.octip.fr
 President - Innovative company in the field of computing, telecommunications and multimedia industry and the professional world.

DBVIB GROUPE

France www.dbvib.com
 Sales Manager - Vibration, acoustic, infrared thermography, vibration test laboratory and climate.

DECOLLETAGE JACQUES CŒUR

France www.decolletage-jacquescœur.com
 Director - Cutting and Precision Mechanics. Production of units and sub-units. Manufacturer of mechanical parts for all business sectors and with all kinds of metals. Small and large volumes.

DEGOISEY

France www.usinage-degoisey.com
 Ceo - Precision machining on 4 and 5 axis machining centers, mechanical assembly. Precision mechanics.

DELTA MAGNETS - MAG DEV

India www.magdev.co.uk
 Sales & Marketing Manager - The European division of Delta magnets with its own permanent magnet and soft magnets manufacturing facilities in India.

DEVELTECH

Belgium www.develtech.com
 Operation Manager - Develtech offers its services and products in the fields of electronic hardware and embedded software.

DIENER - INTCO

Germany www.traitement-plasma.fr/v3/
 Sales Manager - Cleaning and preparation of surfaces, metal coatings : surfaces finish and treatment.

DM ELEKTRON

Italy www.dmektron.com
 Business Development - Electronic components assembly.

DOTMOBIL

France www.dotmobil.com
 Ceo - Vehicle tracking, information capture, program development, embedded, Web services, car sharing, automatisation vehicles, electric vehicles.

DRUMEL

France www.drumel.fr
 Sales & Technical Manager - Specialized in the precision machining, forming tools, welding and mechanical subsets assemblies.

E

EADS - CASSIDIAN TEST & SERVICES

France <http://www.eads-ts.com/>
 Sales Manager - Cassidian Test & Services is a world leading provider of test solutions for the Avionics, Defence and Space industries.

EC2 MODÉLISATION

France www.ec2-modelisation.fr
 Director - EC2-M is an engineering office expert in computation and numerical simulation.

ECRIN SYSTEMS

France www.ecrin.com
 Commercial/Marketing Assistant - Manufacturer of developing customized solutions, either from COTS hardware and software, or creating its own products: industrial computers and embedded systems.

EDEL TAMP

France www.edeltamp.com
 Sales & Business Development Director - Development and production of thermoplastic assemblies.

EDRASTOP COMPOSITE

France www.edrastop.fr
 Manager - Machining of plastics and composites.

EGIDEC

France www.egidec.fr
 General Manager - EGIDEC is a company specialized in research and analysis of technical and scientific information.

ELECTRONDE

France www.electronde.com
 Chairman - Electronde is an electronic design office which aims at : study, design, production and manufacturing of electronic systems for communication and radio transmission, surveillance and home automation.

ELLIDISS TECHNOLOGIESFrance www.ellidiss.fr

Ceo - Modeling tools for the design of embedded real-time systems. Industrial solutions based on the use of standard AADL (Architecture Analysis and Design Language).

ELSTER SAS DIVISION CORONISGermany www.coronis-systems.com

Marketing Manager - Specialist of UHF ultra low power and long range communication solutions.

EMBITELIndia www.embitel.com

Business Developer - Embedded Product Engineering for Automotive and Industrial Automation space. Retail e-Commerce solutions, B2B, B2C & E-Marketing.

EMERSON - LEROY - SOMERFrance www.leroy-somer.com

Head Of Manufacturing Automation Department - Electric engines and related products such as low-voltage alternators, drives...

EMG2France www.emg2.com

Application Engineer - The company represents several innovative companies in the field of electronics. High reliability electronic components. Electronic miniaturization. Maps and embedded systems. Video (cars, cameras ...).

EMITECHFrance www.emitech.fr

Sales Assistant - Specialized in environmental testing laboratory mainly applicable for electronic equipments and their subsets, but also mechanical and hydraulic equipments.

EMKA ELECTRONIQUE - SORECFrance www.emkaelec.com

Commercial Engineer - EMKA Electronique provides contracting services for predominantly electronic or electrotechnical products, covering R&D, design, study and industrialisation up to manufacturing.

ENGRENAGES RIBAUTFrance www.engrenages-ribaut.fr

Sales Manager - Manufacturer of transmission components, gears and all mechanical parts that need cutting and grinding.

ENSAIT - GEMTEXFrance www.ensait.fr

Sales Manager - Research laboratory of textile and flexible materials. Specialized in the fields of textile composites, materials and innovative processes
Research laboratory of textile and flexible materials. Specialized in the fields of textile composites, materials a

ERDYNFrance www.erdyn.com

Marketing Manager - Senior science & technology consultant.

ERNSTUSA www.ernst.fr

Sales Manager - Metallic component cutting and stamping operations. We can assist you from the design and development phase to the industrialization of your products through the implementation of tools.

ESI GROUPFrance www.esi-group.com

Sales Engineer - ESI is a pioneer and world-leading provider in Virtual Prototyping that takes into account the physics of materials.

ETS BECHEREAUFrance www.bechereau.fr

Manager - Sheet metals, boiler, prototypes for aeronautic and armaments industries.

F**FERRY-CAPITAIN**France www.ferrycapitain.fr

Area Sales Manager - FERRY CAPITAIN is a family business whose expertise in casting, machining and assembly has been recognized for over 175 years. Our experience in metallurgy, casting and machinery enables us to better meet our customers' expectations.

FIALABFrance www.fialab.eu

Sales Manager - Laboratory analysis & expertise for components, subsystems electronic and mechanical parts.

FICOSA - IDNEO TECHNOLOGIESSpain www.idneo.es

Business Development Manager - Design and engineering of embedded software, 3d mechanical design and hardware design of both analog and digital, power circuit design and research for EMC.

FILABFrance www.filab.fr

Business Developer - Industrial Testing Laboratory: Materials testing and analysis, chemistry, metallurgy.

FIMORFrance www.fimor.fr

Key Account Manager - Distribution of high reliability components for various uses (aerospace, defense, medical ...) bags sealed keyboards embedded LEDs and LED components, micro fans, resistors, achievements berries on measures PU elastomers or silicone parts.

FLEXDYNAMIC INTERNATIONAL - GLF.SERVICESFrance www.glf-services.com

President - Manufacture of high and low pressure hydraulic hose line. Development and realization of maintenance dock, distribution of oil, grease, coolant ...
Cryogenic cleaning service.

FLEXERA SOFTWAREUnited Kingdom www.flexerasoftware.com

Major Account Manager - Flexera Software is a global leader in application usage management solutions for intelligent device manufacturers.

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

FONDERIE FALLAIS

Belgium www.fonderiefallais.be
Business Development Manager - Sand casting, gravity die casting, high pressure die casting.

FREEMINDTRONIC

France www.freemindtronic.com
Industrial Director - Intelligent protection design for all electric and electronics systems, with fullprotect™ patent embedded, providing monitored random electric and environmental events tracability and storage through evidence box concept.

FUNDERIA CONDALS

Spain www.funcosa.es
Consultant - Producer of medium and large series cast iron and nodular castings.

G. CHAMBERT S.A.

France www.chambert.fr
Managing Director - High milling capacity and automation milling.

GACI

France www.gaci.fr
Commercial Engineer - Computing and electronic systems conception for rugged environments and long term deployment.

GEORGES PERNOUD

France www.pernoud.com
Director - Precision mechanics. Machining all types of materials : hard metals-working, from micro-sized to mini-sized, assembled prototype.

GESTAMATIC

France www.gestamatic.com
Sales Manager - Designer and manufacturer of functional test benches.

GOODFELLOW SARL

United Kingdom www.goodfellow.com
Business Development Director - Suppliers of a wide range of metals, alloys, ceramics, polymers, composites and compounds in small and medium quantities for research and industry.

GROUPE GERARD PERRIER INDUSTRIE - GERAL AUTOMATION

France www.geral.com
Sales Representative - Design and Manufacturing of electric and electronic embedded solution

GROUPE GTID

France www.te2m.fr
Sales Manager - Design and manufacturing of mechanical and electronic solutions.

GROUPE RBDH

France www.rbdh.fr
Sales Manager - Studies, manufacturing mechanical assemblies, large machining, mechanical precision gear.

GRUPPO MAIP

Italy www.maipsrl.com
Managing Director - Maip Group is one of the oldest Italian organizations for the sale of thermoplastic raw materials.

GVG INDUSTRIE

France www.gvg-industrie.com
Sales Agent - Competence supply foam products for aerospace plasitiques.

H

H3 INDUSTRIE - ETABLISSEMENT OGER

France www.oger-meca.com
Ceo - Machining, welding and assembly of mechanical components.

HARMONIC DRIVE

Germany www.harmonicdrive.de
Managing Director - Harmonic Drive® offers a complete range of products for demanding applications: Component Sets, Units, Gearboxes, Planetary Gears, Servo Actuators, Customer Specific Solutions.

HEXALIANCE

France www.hexaliance.com
Consulting Engineer - Innovation engineering consultancy

HFA

Portugal www.hfa.pt
Sales Manager - Manufacturing of electronic boards.

HITELAP INTERNATIONAL

Hungary www.hitelap.hu
Commercial Manager - Producer of high quality Printed Circuit Boards.

HYPERSTONE

Germany www.hyperstone.com
Marketing Director - Fabless semiconductor and microprocessor design company.

I

IDRM

France www.idrm.fr
Director - IDRM designs, manufactures and markets products and complete equipments for potentially explosive or corrosive atmospheres, with in protective systems including : pressurized apparatus, flameproof enclosures, increased safety and intrinsic safety.

IH SYSTEMES - INTERNATIONAL HYDRAULIQUE

France www.ih-systemes.net

Sales Representative - Established in 1978, IH Systemes is specialized in design, manufacturing, installation and maintenance of electro-hydraulic and mechanical assemblies for water treatments, aeronautics, military, petrochemicals, etc.

IKOR SISTEMAS ELECTRONICOS

Spain www.ikor.es

Sales Manager - Electronic Manufacturing Services, PCBS (Printed Circuit Board Assembly) .

IMAGO-TECHNOLOGIES

Germany www.imago-technologies.com

Ceo - Manufacturer of products for the image processing market.

IMCD

Belgium www.imcdgroup.com

Commercial Engineer - Distribution of chemical speciality.

INDUSELEC

France www.induselec.fr

President - Industrial electricity - Automation - Robotics

INES

France www.ines-rd.com

Ceo - Independent Research Department of Electronics: hardware & software, basic software, analogue electronics.

INNOVA

France www.innova.fr

Chairman - Design and manufacturing of tooling for aluminium die casting, hdpe extrusion blowing. Tools maintenance and set up. Complex parts machining.

INNOVALIA - TRIMEK

Spain www.trimek.com

Manager - Trimek is one of the leading metrology systems and solutions provider.

INNOVATION & POLYMERES

France www.innovation-polymeres.com

Consulting Engineer - Polymer processing cluster.

INOVA SOFTWARE

France www.i-nova.fr

Executive Account Manager - Specialist in software for innovation's management (Front End of Innovation).

INSTITUT CARNOT - INGENIERIE@LYON (I@L)

France www.ingenierie-at-lyon.org

Marketing Manager - A comprehensive range of Engineering in Lyon for research partnership and competitiveness of businesses: transport, energy, technology, health and related materials.

INSTITUT CARNOT - STAR

France www.icstar.fr

Director Of Operations - The STAR Institute in Marseille gathers 12 laboratories around interdisciplinary problems.

INSTITUT MAUPERTUIS

France www.institutmaupertuis.fr

Account Manager - Specialized in automated production, the technological centre of Maupertuis has developed its expertise in assembly technologies : welding, laser cutting, surface treatments.

INTERMAS FRANCE

France www.intermas-el.fr

Commercial Engineer - Intermas France has a historic know-how in cutting, processing transformation and assembling of metals. It masters the integration of mecatronic sub-systems for severe operational environments.

INTESENS

France www.intesens.com

Ceo - Leader in the diagnostics industry solutions: wireless autonomous sensors onboard diagnostic, remote monitoring platform web electric power systems, rotating machinery or mechanical infrastructures.

INVOTEC

United Kingdom www.invotecgroup.com

Technical Sales Manager - High technology printed circuit boards.

IPP S.A.

Spain www.ipp-sa.com

Sales Manager - Classic thermoplastic and thermostable injection, bi-material injection, in-mold decoration, pad printing, screen printing, thermo-engraving, plastic milling, ultrasound welding, assemblies.

IREPA LASER (MEMBRE ASRC)

France www.irepa-laser.com

Commercial Manager - Technological resource, training and R&D center dedicated to industrial laser applications.

IRM

France www.irm-ste.com

Chairman - Precision engineering, molds, packaging line, machining.

ITC ELASTOMERES

France www.itc-elastomeres.com

Chairman - Design and production of technical parts in elastomers.

JABIL

USA www.jabil.com

Business Development Director - JABIL offers a bespoke service to meet the needs of each client they are big names in the electronics industry or non-specialized electronics companies.

J

JB GROUP - PM INSTRUMENTATION

France www.pm-instrumentation.com

Sales Manager - Specializing in the commercialization of sensors and measurement systems for laboratory R & D.

JDS - SN MECACEL

France www.mecacel.com

Ceo - SN MECACEL offers electronics, mechanics and sheet metal manufacture services

JENOPTIK - HOMMEL-ETAMIC

France www.hommel-etamic.com

Marketing Manager - Hommel-Etamic is a global metrology specialist and system supplier for dimensional, form and surface measurement throughout each phase of the production process. Their range of services covers complete solutions for diverse measuring tasks.

JMS GROUP - CALIBRACIER

France www.calibracier.fr

Ceo - Centerless grinding (bars & tubes). Pelling (bars & tubes)

JTEKT CORPORATION - KOYO FRANCE

Japan www.koyo.eu/fr/

Sales And Industrie Manager - Producing and selling all types of bearings

KALRAY

France www.kalray.eu

Business Unit Manager - KALRAY delivers the performance & flexibility of manycore processors for low to medium volume embedded and acceleration applications.

KEONYS

France www.keonys.com

Commercial Engineer - Keonys is the first European value added reseller of Dassault systemes' product lifecycle management (PLM) solutions.

KL2B

France www.kl2b.com

Business Engineer - Sourcing and supplying from non strategic to sensitive products. Obsolescence management. Developing Offset contracts. Sourcing and supply of MRO components and equipments for defense field.

KRONO-SAFE

France www.krono-safe.com

Commercial Manager - Provider of software solutions for embedded systems development.

KRONTIME S.L

Spain www.krontime.com

General Manager - Industrial Engineering : Design and Implementation of innovative solutions and manufacturing processes. Software development company for an increasing Digital Manufacturing market demand.

KYOCERA FINECERAMICS

Japan www.kyocera.fr

Sales Manager - Ceramics for electronics, semiconductor, industrial applications.

LACROIX ELECTRONICS

France www.lacroix-electronics-solutions.com

Sales & Business Development Director - R & D entity LACROIX Electronics, specialized in the development and robust electronics, mainly for the aerospace, automation, medical, automotive and industrial sectors.

LAMECO

France www.lamecogroup.com

Sales Agent - LAMECO manufactures customized high tech laminated shims for demanding engineering applications.

LDM

France www.ldmeca.fr

Chairman - High-precision machining. Manufacturing of complex parts for the sectors of Aeronautics, Space, Defence, Medical, Petrochemicals, Nuclear, etc. Small and Medium (from 10 to 200 parts).

LE SUR-MESURE INDUSTRIEL

France www.le-sur-mesure-industriel.fr

General Manager - Owner - Le Sur-Mesure Industriel service company dedicated to industry with a statute of Machine constructor. Our offer covers all the steps from project design to implementation and staff training.

LEWIS INDUSTRIE

France www.lewis-industrie.com

Sales Engineer - Lewis Industrie designs and manufactures sheet metal parts. Integration of subassemblies, combining manual and robotic welding, laser-cutting.

LGM INGENIERIE

France www.lgm.fr

Development Director - LGM Ingénierie services : System design, simulation and modelling, organic design, validation and qualification, development of test benches.

LIMOUSIN EXPANSION

France www.limousin-expansion.fr

Sales Manager - LIMOUSIN EXPANSION is the Regional Economic Development Agency for Limousin.

LMS INTERNATIONAL - LMS

France www.lmsfrance.fr#http://www.lmsfrance.fr#

Area Sales Manager - Mechatronics test and simulation.

LNE - LABORATOIRE NATIONAL DE MÉTROLOGIE ET D'ESSAIS

France www.lne.fr

Communication Manager - National laboratory of Metrology and Tests, measurement specialist, in particular characterization of materials, materials expertise, modelling.

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

LOIRE ELECTRONIC APPLICATIONS VALLEY

France www.lea-valley.fr
General Delegate - Cluster on electronics of Pays de la Loire - its offer - Rich Electronic Solutions.

LP ELEKTRONIK

Hungary www.lpe.hu
Sales Manager - Full-scaled PCB service from prototypes to mass production.

LTP

France www.ltp.fr
Sales Manager - LTP is specialized since 1985 in moldless plastics.

M&R GROUP - ALICONA

France www.alicona.com
Sales Manager - Manufacturer of measuring solution optical 3D surface.

MACCS

France www.maccs-sarl.com
Chairman - Modelling, design Support, structural analysis are the key words which best define our activity and the services we offer.

MAGTROL

Suisse / Switzerland www.magtrol.com
Sales Engineer - Magtrol offers products for the motor test, measurement, and control-display load-force-weight and displacement.

MAHR

Germany www.mahr.fr
Sales Engineer -

MAINTES

France www.maintes.com
Manager - Consulting firm specialized in project management in order to facilitate collaborative work.

MAIP - INTECO SRL

Italy www.maipsrl.com
Managing Director - In.te.co. is the production division of Maip Group for techno polymers compounding. For several years it has been involved in the study and development of specific product lines, focusing on innovative and high-tech materials.

MARKS & CLERK

United Kingdom www.marks-clerk.com
Industrial Property Council - The Marks & Clerk group offers a range of wider consultancy services.

MASSON'S STEEL

France www.massons-steel.com
Sales Manager - Metallurgical product supplier.

MATIS TECHNOLOGIES

France www.matis-group.com
Ceo - Engineering and technology consulting, studies and design of embedded systems solutions.

MBDA - MATRA ELECTRONIQUE

France www.matra-electronique.com
Business Development Manager - R&D and manufacturing of electronic embedded boards and equipments.

MECAGRAV INDUSTRIE

France www.mecagrav.com
General Director - Expertise in industrial marking: Design, manufacture and distribution of standards or custom-sized solutions, from hammer hit to laser, with electrochemistry, micro-percussion and the Mecagrav special know-how: the numerotors.

MECALLIANCE AMGP

France www.mecalliance-amgp.com
Sales Manager - Mechanical welding and sheet metal machining.

MECANO-TECHNIQUE

France www.mecano-technique.com
Ceo - The French specialist in extrusion screw : planning, design and production of extrusion systems worm; regeneration. Designing and machining of mechanical components. Machining of propellers.

METALLURGIE PLASTIQUE TECHNOLOGIES

France
Chairman - Machining of metal parts on CN and transfert, Foundry, Non-ferrous metal. Perforated sheet.

MICRO EPSILON

France www.micro-epsilon.fr
Administrative Assistant - Production and marketing of one of the largest selections in Europe of travel distance sensors, temperature sensors as well as innovative measuring devices and systems for high precision industrial applications.

MICRO-MECANIQUE

France www.micro-mecanique.com
C.E.O - Tooling in tungsten carbide and micrometric manufacturing (a few microns). Applications : Car Industry, Aerospace Industry, Army, Health Industry, Metallurgy, Glass Industry, Nuclear Industry, Equipments, R&D, Cosmetics Industry and Electrotechnics.

MICRONOR

France www.micronor-7d.com
Sales Engineer - Micronor is the European pioneer in the development of hermetic glass-to-metal sealing and soldering. It also manufactures small and medium-size series of hermetic packages and hermetic insulating feed-through.

MICROSOFT

USA www.microsoft.com
Account Manager - Editor of embedded software and operating systems.

MINIABILLES FRANCE SARL

France www.miniabillesfrance.eu

Sales Manager - Made of hard materials: ceramics, ruby, sapphire and various metals - Manufacture of micromechanical parts high precision - Pressing powders - Sintering - Polishing without distortion small parts all kind of materials.

MITUTOYO

Japan www.mitutoyo.fr

Ceo - MITUTOYO, founded in 1934, has become thanks to its dynamic research and development associated with the efficient production global specialist in dimensional metrology.

MOCKEL

Belgium www.mockel-precision.be

Executive Administrator - Precision mechanical manufacturing for small and medium series

MONT BLANC TECHNOLOGIES - SMAC

France www.smac.fr

Sales Engineer - SMAC is the specialist of standard & customized shock and vibration absorbers for defence and aerospace applications.

MONTAJES GOMUR SL

Spain www.montajesgomur.com

Export Manager - Boilers, mechanized welding, industrial assembly, special machinery.

MRB AUTOMATISMES

France www.mrbautomatismes.com

General Manager - Engineering and integration in industrial automation and computing / functional analysis / programming logic / scada development / mes development.

MSC SOFTWARE

France www.mscsoftware.com

Marketing Manager - Editor of numerical simulation softwares : MSC Nastran, Patran, MSC Marc, MSC Adams, SimXpert.

MU ELECTRONICS

Morocco www.mu-e.com

Managing Director - Services company specialized in integrated circuits, systems design and embedded software development.

NANOE

France www.nanoe.com

Ceo - Nanoe produces and sells nanopowders for producing advanced materials.

NEDAERO COMPONENTS

The Netherlands www.nedaero.nl

Ceo - NEDAERO Components, is an independent provider of aerospace systems and components solutions to the aerospace and defense industry. The company main focus are 2 business lines: Manufacturing and MRO.

NER GROUP - WALTERPACK

Spain www.walterpack.com

Sales Manager - Thermoforming, injection RIM PDCPD, machining & laser cutting, injection pur, IMD and screen printing, metal stamping, plastic injection, tooling

NEXEYA - ANTYCIP TECHNOLOGIES

France www.anticip.com

Product Manager - ANTYCIP Technologies offers a set of innovative solutions for software design, development of embedded systems, and industrialization of electronics cards and products.

NEXEYA - MIDI INGENIERIE

France www.midi-ingenierie.com

Deputy Manager - Development of electric engine control systems for robotics. Specialised in solutions of axis control for stepper, brushless or brushed electric engines.

NEXEYA SYSTEMES

France www.nexeya.fr

Sales Manager - NEXEYA is a major industrial player mostly committed to Defence, Aerospace and Transport markets. NEXEYA combines the design, realization and support of most advanced electronic products and provides high value services.

NEXTER SYSTEMS - NEXTER ELECTRONICS

France www.nexter-group.fr

Sales Manager - Development, integration, test and support for embedded devices.

NEXTER SYSTEMS - NEXTER MECHANICS

France www.nexter-group.fr

Sales Engineer - Engineering specialist, maintenance, technical support, surface and heat treatment.

NIEF PLASTIC

France www.nief-plastic.com

R&D Manager - Manufactures subsets accomplished from plastic parts. Components (metallic, seals) are inserted into these subsets which can have technical or aesthetic functions.

NORALSY

France www.noralsy.com

Ceo - Design, manufacture, marketing of access control and security.

NOVATECH INDUSTRIES

France www.novatech-groupe.com

General Manager - Major player in the European EMS Industry. Our vocation is to provide solutions in the increasingly complex and demanding world of electronic design and manufacture.

ODU FRANCE

Germany www.odu.fr

Ceo - ODU leader in high quality interconnect products has connector solutions for most technical needs.

N

O

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

OMAB SRL

Italy www.omab.eu
Sales Manager - Designs and manufactures dies and tools for sheet metal and produces small and medium blanket components, often working with the customer in the design, prototyping and industrialization of new products.

OPCMA

France www.opcma.com
Manager - Open Consulting & Management is specialized in innovation consulting, software engineering and hard system engineering.

OPEN WIDE

France www.openwide.fr
Ceo - With more than 100 partners, Open Wide Group is today one of the first actors specialized in integration and exploitation of open source software in France.

OPSYSELEC

France www.opsyselec.fr
Manager - Distribution and installation of innovative product and system safety related.

OPTEL-THEVON

France www.optel-thevon.eu
Ceo - Since 1971 Optel Thevon has been developing and manufacturing optoelectronic detectors, sensors and customised products for automation and measurement systems.

OPTOPARTNER

France www.optopartner.com
Technical Engineer - Software Editor and Services Provider in the fields of instrumentation, optics, simulation, data processing.

OSBORN METALS

United Kingdom www.osbornmetals.com
Managing Director - Manufacture of complex near net shapes in a wide range of material alloys. Aerospace, automotive, rail and all mechanical industries.

OW2

France www.ow2.org
Ceo - OW2 is a global open source organization specializing in infrastructure software.

P3 - P3VOITH

Germany www.p3voith.com
Business Unit Manager - P3 Voith Aerospace advises his customers in expertise, engineering and production in the field of the aerospace industry.

PEAKEXPERT

France www.peakexpert.com
Manager - Independent analysis laboratory specialized in polymer materials (polyolefins, methods and high performance) and their additives.

PEKAGO COVERING TECHNOLOGY BV

The Netherlands www.pekago.nl
Sales & Marketing Manager - Since 1983, Pekago has been active as a specialist providing development, engineering, mould fabrication, production and assembly services for plastic housing elements and technical components used in industrial device construction.

PHYTEC

France www.phytec.fr
Sales Manager - Designer and Manufacturer of microcontroller modules.

PNL INNOTECH

France
Manager - Conception and manufacturing hermetic assembly glass and ceramic to metal seal high performance.

POLYMEREXPERT

France www.polymerexpert.com
R&D Engineer - Innovation company dedicated to polymer-based materials.

POLYMESURE

France www.polymasure.fr
Ceo - Advice and representation of companies providing innovative measurement solutions: screw instrumented to measure clamping forces, wireless sensors and calibration benches sensor force / torque.

POLYTEK

France www.polytek.fr
Sales Manager - Design and manufacturing specialized in butt fusion techniques and machining of High Density PolyEthylene : the HDPE integrating plastics technologies associated to competitive transformation technologies and high degrees of precision.

POUCHARD ET CIE

France www.pouchard.com
Purchasing & Sales Director - Manufacturing, trading and finishing of added value carbon steel tube.

PRAGMADEV

France www.pragmadev.com
Founder & Ceo - Publisher modeling tools and development of real time and embedded software.

PRESANS

France www.presans.com
Open Innovation Project Manager - Laboratory in Dynamic Meteorology, Polytechnique School.

PROCESSUSGROUP - ORIGIN3D

France www.processusgroup.com
Commercial Engineer - A Design office that develops new solutions and features for mechanical conception.

PRODIUM

France www.prodiium.fr
Chairman - Plastics, metals and electronics industries

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

PROMOFILTRES

France www.promofiltres.com

Associate Director - PromoFiltres is specialized in industrial filtration. The company produces bespoke filters (metal filters, strainer, sieves, filter media ...) for all business sectors.

PROREP

France www.prorep.fr

Marketing Manager - Company of representation and distribution of electronic components and sub-assemblies.

PROSPACTIVE / CATOMA DEVELOPPEMENT

France www.prospactive.com

Director - We work with TPE and PME to structure and accelerate their business development.

PROTAVIC INTERNATIONAL

France www.protavic.com

Technical Sales Manager - Research and Development Center specialized in conductive and insulating resins and adhesives, potting materials and inks.

PROTEC INDUSTRIE

France www.protec.fr

Sales Manager - Chemical and electrolytic surface treatments; material integrity analysis; paints and varnishes.

PROTECTION DES METAUX

France www.protectiondesmetaux.com

Account Executive - Subcontracting in surface treatment for technical application.

PRQA - PROGRAMMING RESEARCH LTD

Royaume Uni / United Kingdom www.programmingresearch.com

Responsible Commercial - Leader in automated static analysis solutions that advocate the prevention of bugs, the application of coding rules and compliance with required standards ISO 26262 and IEC 61508.

PUFIN POWER - ELIFRANCE

France www.elifrance.com

Business Development Manager - Design and manufacturing of electronic boards and complete systems (Box Build) in constraint environment for Aerospace and Defense, Industrial, transportation and Optronics.

QUATTROCENTO

France www.lequattrocento.com

Technical Director - Industrial management of Life Sciences innovations from invention to commercialization.

REFLEX CES

France www.reflexces.com

Ceo - REFLEX CES designs and manufactures complex electronic embedded systems for industry companies and government organizations, mainly in defence segment market.

REPLEG

Spain www.ripleg.com

Consultant - Sheet metal cutting and machining and manufacturing electrical wiring.

RESSORTS HAUT MARNAIS

France www.ressorts-haut-marnais.fr

General Director - Manufacturer of springs and custom molded parts, wire or strip in small and medium series.

RICHARD ANDRE

France www.richardandre.com

Ceo - Definition of processes and choice of surface treatments tailored to your needs. Chemical or electrolytic processes have applications in the aerospace, space industries, industry connections and general engineering industries.

RISUN SOLAR ENERGY SAS

France www.risunsolar.fr

General Director - Supplier of photovoltaic sensors.

ROSIER MECATRONIQUE

France www.rosier.fr

Technical Sales Engineer - Specialized in positioning and movement controls.

RS AUTOMATION INDUSTRIE (RSAI)

France www.rsautomation.com

Sales Manager - Designer and manufacturer of custom electronic solutions.

RUFFINI

Spain www.ruffini.es

Consultant - Pressure moulding of parts cast in aluminium alloys.

RX SOLUTIONS

France www.rxsolutions.fr

Machines Sales Manager - RX SOLUTIONS develops, manufactures and markets equipment and complete X-ray imaging (standard and custom). Features high-resolution digital X-ray tomography and 3D metrology and material health.

S&D TECH

Belgium www.sdtech.be

Managing Director - Precision machining

Q

S

R

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

SAFRAN - HERAKLESFrance www.herakles.com

Sales And Program Manager - Herakles, of Technical and Industrial Excellence SAFRAN for Thermostructural Composites Centre, develops and produces composite materials suitable for high temperatures.

SAINT-GOBAIN COATING SOLUTIONSFrance www.coatingsolutions.saint-gobain.com

Sales Manager - Equipments and consumables for thermal spray coatings of metals and ceramics. R&D coatings.

SAMPFrance www.samp22.fr

Sales Manager - Manufacturing of precision of very technical mechanical parts in small and average series.

SANDOW TECHNICFrance www.sandowtechnic.com

Sales Manager - Sandow Technic specializes in the manufacture of made-to-measure 1 to 30 mm diameter industrial elastic shock cords (also called bungee cords), as well as straps, belts and slings.

SARTHE DEVELOPPEMENTFrance www.lemans.sarthe.cci.fr

Business Development Manager - Agency for economic expansion of the Sarthe department.

SATT CONECTUS ALSACEFrance www.conectus.fr

Communication Manager - Conectus Alsace brings together all actors of Alsace research and innovation. Its main mission is to simplify access to innovation from public research.

SATT LUTECHFrance www.sattlutech.com

Business Development Manager - Investment, marketing and transfer of technologies.

SATT SUD ESTFrance www.sattse.com

Commercial - Structure dedicated to technology transfer from laboratories to businesses.

SCAELECFrance www.scaelec.com

Managing Director - Specialised in the production of electronic cards and equipments.

SCHUNK INTECGermany www.fr.schunk.com

Account Manager - SCHUNK is the worldwide competence leader for clamping technology and gripping systems. SCHUNK combines the features of a family-owned company, a renowned technological leader and a global player, all in one.

SCIENCE ET SURFACEFrance www.science-et-surface.fr

Quality Manager - Studies, Consulting and Services in analyzes of material surfaces.

SECOItaly www.seco.com

Emea Area Sales Manager - SECO, world-leading company in electronics embedded solutions, over its 30 years of experience has shown the ability to adapt its know-how to new, challenging customers' needs, and to provide cutting edge solutions to its partners.

SEE FAST TECHNOLOGIESFrance www.seefasttechnologies.com

Product Manager - Manufacturer of camera quickly and intelligently 250-500 frames / sec.

SEEB INDUSTRIEFrance www.seebindustrie.com

Sales Engineer - Mechanical machining of medium size, solution provider, project management. Turnkey integrator by providing its customers with expertise in industrialization and installation of sets in the world.

SELVA ELECTRONIQUEFrance www.selva.fr

Business Engineer - Design, manufacturing of electronic products, studies, wiring maps and integrated cabling.

SEPROLECFrance www.seprolec.fr

Sales Manager - Manufacturer of cards and complex electronics assemblies, small and medium series.

SERAAPFrance www.seraap.com

Co-Manager - Seraap is based on two major fronts : designs and manufactures of special machines, sourcing and importation of mechanical or electrical products from eastern countries.

SERAPID STI GROUPFrance www.serapid.fr

Sales Manager - Electro magnetic actuators manufacturer from the SERAPID rigid chain technologies.

SERMA TECHNOLOGIESFrance www.serma-technologies.com

Commercial/Marketing Assistant - Customized solutions covering the design, development, and production of embedded electronic systems (calculators) whether on site or through services.

SERSA ELECTRONIQUEFrance www.sersa.fr

Sales Engineer - Low cost manufacturer of electronic assemblies. Design office, CAD, Test Standards.

SERVUM KERONITEEngland www.keronite.com

Manager - Keronite is a leader in the plasma electrolytic conversion (Ceramic Al, Mg, Ti). Super corr A offers a protection against corrosion for electronic circuits eletriques particularly aeronautical.

SESAMTV

France www.sesamtv.com

Ceo - Software editor and services player in the world of smart-home, media industry and connected TV, providing multimedia interfaces and multimedia middleware that can be embedded on TV, set-top boxes, smartphones.

SILKAN

France www.silkan.com

Sales Manager - SILKAN provides high-performance & cost-effective technologies and solutions in the areas of simulation, test and real time.

SILVERIA ELECTRONIC

Hungary <http://www.silveria.eu>

Sales Manager - PCB assembly, SMT assembly, BGA assembly, selective soldering, prototype manufacturing, EMS.

SINERTECNIC GROUP

Spain www.sinertecnic.com

Project Manager - Sinertecnic is specialised in precision sheet metal, welding, machining and composite materials in the Basque country.

SOFIRED

France www.sofired.fr

Representative - Sofired is supporting business development and transfer with the purpose of sustaining employment.

SOMEGE

France www.somege.fr

Sales Engineer - Subcontractor for ferrous and non-ferrous metals. Small to medium series. Assembly of complete electromechanical systems.

SOVAIC

France www.sovaic-80.fr

Technical Manager - Conception and forming of thermosetting plastic

SPACE CODESIGN

Canada www.spacecodesign.com

Director Of European Operations - Space codesign provides developers of multimedia aerospace and its Space Studio codesign HW / SW software.

STERELA

France www.sterela.fr

Sales Manager - Sterela is specialized in systems acquisition, processing and data transmission.

STORK VECO - VECO FRANCE

France www.spgveco.com

Ceo - Manufacturer of economical high precision metal parts (tolerances down to micron level) through electroforming and photo etching processes. All shapes possible, hole diameters lower than thickness.

STP ELECTRONICS

France www.stp-electronics.com

Marketing - CMS environment - TRAD - Control - Production - Quality - Serigraphy - Electronics

STS SAS

France www.sts-eco-planete-industrie.fr

Ceo - Surface and cleanliness engineering.

STYLE & DESIGN

France www.styleanddesign.fr

Communication Manager - STYLE & DESIGN is both a design agency, force and motion design studio, with means industrial technology design and implementation.

SUADEO ASSOCIES

France www.suadeo-associes.fr

Director - Engineering. Support of industrial development.

SYNCHROTRON SOLEIL

France www.synchrotron-soleil.fr

Corporate Relations Officer - Research center and services to industry for livings matters and materials studies.

T

T2M (TEXTILE MODE ET MATERIAUX)

France www.clubtex.com

General Director - T2M is a structure that controls the cluster UP-tex, CLUBTEX network of companies and R & D center of the CETI.

TAKOMA

France www.takoma.fr

President - Technical Documentation (technical writing, DTP and graphic design). On-site training. E-Learning and Serious Game . IT Development. B2B Communication

TECH SYSTEMES

France www.tech-systemes.com

Business Manager - Mechanical research and development : CAD and manufacturing of assemblies.

TECNALIA

Spain www.tecnalia.com

R&D Engineer - Spanish R&D research center and technological transfer. Materials department for advanced systems: Specialist of ceramics, metals and composite materials, as well as their manufacturing processes, and their integration in systems.

TELEMAQ

France <http://www.telemaq.eu>

Sales Executive - R & D company specialized in the development of mechatronic assemblies and innovative equipment.

TEXYS INTERNATIONAL

France www.texys.fr

Commercial - TEXYS designs, manufactures and supplies a range of sensors for racing, automotive and industrial applications.

THALES - SYSGO

Germany www.sysgo.com

Marketing Director - Softwares and associated services for real time and embedded systems.

THALES COMMUNICATIONS & SECURITY

France www.thalesgroup.com
Sales Manager - Laboratory of testing, evaluation, analysis, reliability and security of electronic cards and composites.

TIMELINK MICROSYSTEMS

France www.timelinkmicro.com
Sales Manager - Timelink Microsystems designs, manufactures and markets atomic clocks and network synchronization and timing solutions used in telecom networks, space, defence and avionics systems.

TITANOX

France Titanox.fr
Assistant Manager - Titanox Industrie has asserted itself on the industrial technical fastenings market through its policy of product quality and technical superiority, its extensive roll-out, rapid stock turnaround and respect of delivery times.

TLD - ADHETEC

France www.adhetec.com
Sales Manager - ADHETEC designs, manufactures and distributes products and technology services of the adhesive film.

TOHTEM

France www.tohtem.fr
Chief Executive - Development of industrial products: the study to achieve Council PLM tools for SMEs.

TOMKINS - SCHRADER

USA www.schrader.fr
Sales Manager - Worldwide leader in design and manufacturing of valves, components of mechanics and electronics systems and detection technologies.

TOTALINUX

France www.totalinux.fr
Sales Engineer - Integrators specialized in the infrastructure and workstations, particularly to the scientific world (compute clusters) and 3D modeling (CAD).

TRANSCOMMERS

Hungary www.transcommers.hu
Sales Manager - Conception de PTB, production, distribution de pièces électroniques, processus de production (impression, mise en place, refusion, etc.)

UNION DES FORGERONS

France www.union-des-forgerons.fr
Sales Manager - Processing of ferrous and nonferrous metals for oil, nuclear, mechanics, aerospace and military industries.

UNIVERSITE DE BOURGOGNE - WELIENCE (MEMBRE ASRC)

France www.welience.com
Development Engineer - Welience is a private company in charge of the R&D at the University of Burgundy.

V

VALUTEC

France www.valutec.fr
Business Development Manager - Mechanical testing laboratory for automotive and railway industries.

VECTOR FRANCE

France www.vector-france.fr
Commercial Engineer - Software solutions for the development of embedded systems (CAN, LIN, FlexRay, IP, CANopen, AFDX, ...).

VIA DESIGN

France www.via-design.fr
Communication Manager - Electronics solutions experts.

VISION SMT

Hungary visionsmt.hu
Sales Manager - Electronic boards manufacturing, SMT assembly, as well as activities related to these processes, technical advice.

VIVERIS

France www.viveris.fr
Commercial Director - Viveris, computer engineering company, helps companies with the design, implementation and advancement of their projects.

W

WICHARD

France www.wichard.com
Industrial Sales Manager - Precision forging of steel, stainless, titanium and aluminium parts. From 1 to 800g. Specific design for high-technology sectors : Aeronautics, Automotive, Medical, Small tooling... French manufacturer.

WIKI INSTRUMENTS

Germany www.wika.fr
Marketing Manager - Leading company in pressure and temperature measurement.

WIMESURE

France www.wimesure.fr
Sales Engineer - Wimesure is recognized in the world of industry, measurement, laboratory, environment and research.

WITTENSTEIN

Germany www.wittenstein.fr
Ceo - Backlash planetary gearbox, brushless gear motor. Engineering, delivery time, customer care

WOW TECHNOLOGY

Belgium www.wowtechnology.com
Managing Director - Automation, robotics, development, prototypes, tests, measurements.

Y

U

LIST OF REGISTERED COMPANIES

(Updated on 26/04/2013)

YAMAHA MOTOR IM EUROPE

Germany www.yamaha-motor-im.eu
Yamaha Im Sales Manager - Equipment manufacturer deferral component CMS for application prototypes, LED, Hybrid, WAFER as well as productions ranging from small series has the very high rate.

YSIPHYSICS

France
Chairman - Manufacturing of physical vapor deposition (PVD) and PECVD coatings system. Supplying all the workshops from cleaning, coating, to control and conditioning specialist of DLC coating machine

ZETTICE/INRIA

France www.zettice.com
Ceo - ZettICE is a research spinoff at Inria. Our goal is to increase your competitiveness by optimizing your IC design process.

Groups, Delegations and clusters:

ACC10

France www.catalonia.com
Consultant - ACC10 is the catalan agency for competitiveness that specializes in innovation, internationalization and attracting inward investment.

CAMARA DE COMERCIO E INDUSTRIA DE ALAVA

Spain www.camaradealava.com
Head Of The Industrial Department - Alava Chamber of Commerce.

CCI DE VERSAILLES VAL D'OISE / YVELINES RÉSEAU MESURE DU VAL D'OISE

France www.rmvo.com
Rmvo Director - Versailles Val d'Oise Chamber of Commerce

DASSAULT SYSTEMES

France www.3ds.com
Marketing - PLM (Product Lifecycle Management) solutions, simulation and CAD from DASSAULT SYSTEMES software empowers users to create products in 3D.

DEFI MECATRONIC

France www.mecatronic-sa.com
General Delegate - A key offer in mechatronics engineering & manufacturing.

H

HUNGARIAN INVESTMENT AND TRADE AGENCY - HITA

Hungary www.hita.hu
Electronics Senior Consultant - HITA's mission is both to encourage foreign companies to invest in Hungary and to encourage foreign trade activities of small and medium-sized Hungarian companies oriented towards European integration promote the development of bilateral trade.

P

POLE DE COMPETITIVITE DE SOUSSE

Tunisia www.technopole-sousse.com
Commercial Manager - The Competitiveness Cluster Sousse represents a way towards economic and social development, and it is especially dedicated to the mechanics, electronics and computing.

POLE MECATECH

Belgium www.polemecatech.be
International Affairs Executive - Competitiveness cluster with nearly 200 industrial and academic actors involved in joint projects of mechanical engineering.

POLE MECATRONIQUE ARGENTEUIL BEZONS

France www.agglo-argenteuil-bezons.fr
Mechatronic Project Manager - Mechatronics cluster. The Val d'Oise county gathers efficient and well-known actors in the following activities: embedded intelligence and mechatronics.

S

SYNTEC NUMERIQUE

France www.syntec-numerique.fr
General Delegate - Syntec Numérique is the Professional Chamber of software firms, software vendors and technology consulting companies.

Organizers and partners:

A

ABMECATRONIQUE

France www.abmecatronique.com
General Manager - The news portal mechatronics.

AIR & COSMOS

France www.air-cosmos.com
Delegate Director - Publishing of the only French-language aerospace weekly news magazine.

ASTECH

France www.pole-astech.org

General Manager - The Aerospace competitiveness cluster, Astech Paris Region is the leading employer in France of the aeronautics space and embedded systems industries.

CCI DE PARIS

France www.cci-paris-idf.fr

Digital Project Manager - Chamber of Commerce and Industry of Paris

COMITÉ MÉCANIQUE ILE DE FRANCE

France www.comitemeca-idf.com

Communication Manager - Association of 3500 Mechanics SMEs in Ile-de-France.

DIRECCTE ILE DE FRANCE

France www.idf.direccte.gouv.fr

Project Officer Economic Development - DIRECCTE manages the regional steering of the State's policies for economic development.

ELECTRONIQUE MAG

France www.electronique-mag.com

Sales Manager - ELECTRONIC MAG is the French magazine of the electronics industry.

INDUSTRIE MAG

France www.industrie-mag.com

Sales Manager - Industry-Mag.com and a new website for information in all sectors of the industry. disseminates information on new products, business news, discusses issues on new technologies and their applications.

INFOPRO - INDUSTRIE & TECHNOLOGIES

France <http://www.industrie-techno.com/>

Sales Manager - Technological intelligence for industry professionals.

INNOVATION & INDUSTRIE

France www.innovationonline.eu

Sales Manager - Monthly professional information, Innovation & Industry decrypts the R & D of large groups, SMEs and supports you in your sleep and search technology partners.

MACHINES PRODUCTION

France www.machpro.fr

Web Manager - Sofetec, a technical publication company, is issuing 3 french medias for the metalworking world : the Machines Production magazine, the website machpro.fr and the supplement Machines Production Alpes.

MEDICEN PARIS REGION

France www.medicen.org

Business Development Manager - Global competitiveness cluster of innovative technologies for the healthcare and new therapies.

MFG.COM

France www.livesource.com

General Manager - Purchasing licenses and sourcing marketplace.

MFG.COM - LIVESOURCE.COM

France www.livesource.com

General Manager - LiveSource is an exceptionally dynamic e-Sourcing and global supplier management platform that is coupled with the strength of MFG.com, the industry's leading manufacturing marketplace.

MOV'EO - PÔLE DE COMPÉTITIVITÉ

France www.pole-moveo.com

Regional Manager - Automobile cluster and public transports.

REGION ILE DE FRANCE

France www.iledefrance.fr

Innovation Project Manager - With nearly a quarter of French SMEs and SMLs installed in its territory and over 70,000 new businesses each year, the Ile-de-France region remains Europe's most attractive to entrepreneurs.

SYSTEMATIC PARIS-REGION

France www.systematic-paris-region.org

Cluster Promotion & Development Director - Systematic's aim is to make the Ile-de-France Region one of the few areas visible worldwide on the topic of the design, implementation and control of complex systems.

TRACEPARTS

France www.traceparts.com

Sales Manager - TraceParts is a world-leading digital engineering 3D content company, offering progressive business solutions through powerful web based products and services. TraceParts brings targeted and cost-effective market penetration to parts vendors, in all sectors.
