Brussels, 9 January, 2012

Dear Mr. Keleshev!

First of all, let me wish you a Happy and Prosperous New Year!

Following my letter to you on 29 September 2011, I would like to inform you that your application to become an observer Member in CEEMET was discussed at the last Directors' Conference meeting in October 2011. The Directors of CEEMET member organisations welcomed your application and unanimously recommended to the General Assembly the approval of the Bulgarian Branch Chamber Machine Building's application for becoming CEEMET observer.

The next General Assembly meeting (with Presidents) which will take place in Autumn 2012 in Berlin will then formally approve the Bulgarian Branch Chamber – Machine Building's application.

We look forward to starting a sustainable mutually beneficial cooperation and we would be delighted to welcome you to our conference where our "Shaping Talents" project will be presented, while at the same occasion the 50th anniversary celebration of CEEMET will take place on 28th-29th June 2012 in Brussels. An official invitation with more details will be sent to you soon.

And finally, we would appreciate if you would let us know the contact person(s) in your organisation to whom you would like us to send our invitations to statutory meetings and information circulars.

Looking forward to meeting you soon.

Kind regards

Uwe Combüchen
Secretary General
